- Micro USB to USB charging cable
- Quick Start Guide

COMPATIBILITY

Duracell PowerBank is compatible with most Smart Phones.

SAFETY & SUPPORT

IMPORTANT SAFETY INSTRUCTIONS

WARNING - When using this product, basic precautions should always be followed:

- a) Read all the instructions before using the product.
- b) To reduce the risk of injury, close supervision is necessary when the product is used near children.
- c) Do not expose PowerBank to liquids, fire or excessive temperature. Exposure to fire or temperature above 60°C may cause explosion
- d) Use of a faulty charger to charge this PowerBank may result in a risk of fire or injury to persons.

- e) Do not use the PowerBank in excess of its output rating. Overload outputs above rating may result in a risk of fire or injury to persons.
- f) Do not use the PowerBank if it is damaged or modified. Damaged or modified batteries may exhibit unpredictable behavior resulting in fire, explosion or risk of injury.
- g) Do not disassemble the PowerBank.
- h) This PowerBank has no serviceable parts. Call DURACELL if you experience any problems.
- i) Do not operate where aerosol (spray) products are being used or where oxygen is being administered
- j) Only set or store on clean dry surfaces. Do not place on surface that is wet from water or cleaning solvents.
- k) Do not operate in a closed environment, such as a pocket, backpack or carry case
- l) For service or repair - do not return this unit to the retailer. Contact Duracell Consumer Relations

6 MONTHS LIMITED WARRANTY

Duracell offers a 6 months limited warranty from the date of purchase. Keep a copy of your purchase receipt as proof of purchase. Our product's warranty is limited only to the unit itself, when used normally in accordance with the operating instructions and the system environment. Therefore, Customer acknowledges and agrees that:

- Duracell is not liable for damage or loss resulting from the use of this product, or for any claim from a third party.
- Duracell is not liable for problems with any portable or mobile devices, such as MP3 player, cell phone, tablet or any other hardware, arising from the use of this product; the suitability of the product for specific hardware, software, or peripherals, operating conflicts with other installed software, data loss or other accidental or unavoidable damages.
- Duracell is not liable for financial damages, lost profits, claims from third parties, etc., arising from the use of this product."

Li-ION BATTERY SAFETY INFORMATION

- Do not dismantle, open or shred the battery.
- Do not expose the battery to heat or fire.
- Avoid storage in direct sunlight.
- Do not short-circuit the battery.
- Do not subject the battery to mechanical shock.
- Keep the battery out of the reach of children.
- Keep the battery clean and dry.
- Do not leave a battery on prolonged charge when not in use.

BATTERY STORAGE

- Store in a cool dry place.
- Store charged at regular ambient temperatures, $25^{\circ}\text{C} \pm 5^{\circ}\text{C}$.

Li-ION BATTERY CAUTION

The lithium rechargeable battery used in this charging device may present a risk of fire or chemical burn if mistreated. Do not disassemble, short circuit, crush, expose to heat above 60°C or incinerate. Do not operate outside of its operating temperature range of 0°C to 40°C . Misusing or incorrectly connecting the charging device may cause electric shock to users and damage equipment. Read instructions carefully. The PowerBank may become warm and may reach 50°C under extended high-power operation. During operation, keep the charging device away from materials that may be acted by these temperatures. Follow manufacturer instructions.

CORRECT DISPOSAL OF POWER BANK

Please follow any local requirements to recycle this lithium rechargeable device.
